## Protecting Your Practice Against Risks Not Associated with Clinical Practice

*Health care providers are already aware of the risks associated with the clinical practice of medicine. Busy physicians and office managers also need to consider risks that are not protected by medical professional liability coverage.*

*Members of the Cooperative of American Physicians, Inc. have access to an additional resource that can protect their business and personal interests. The following article provides information on our wholly-owned insurance subsidiary - CAP Physicians Insurance Agency, Inc.*

Through its alliances with quality insurance providers, [CAP Physicians Insurance Agency, Inc.](#) provides comprehensive and competitive ancillary business and personal insurance protection. Our aim is to become your trusted source for insurance information and services designed to protect your practice and you.

For your business interests, lines of coverage include MEDefense Plus, Business Owners Policy, Workers Compensation Insurance, and Employment Practices Liability Insurance. For your personal insurance needs, we offer coverage options such as Life, Disability, Critical Care, and Long-Term Care.

CAP Physicians Insurance Agency, Inc. is unique in that all employees are salaried. All financial and personal information received from you will be held in strict confidence

For more information, visit this [link](#) or call us at 213-473-8731.
