Dental

- Enhanced Dental PPO plan offered by United Concordia Dental
- Vast network of preferred dentists
- Rich plan benefits at preferred large group monthly² rates

UNITED CONCORDIA®
DENTAL

Vision

- Choose from three different levels of vision coverage through MetLife/Vision Service Plan (VSP) network: Enhanced, Standard, and Basic

NEW!

Critical Illness³

- Receive a lump sum payment up to \$30,000 when you or your covered dependents are diagnosed with a critical illness
- A \$50 health screening benefit is payable once per year for you and each covered dependent

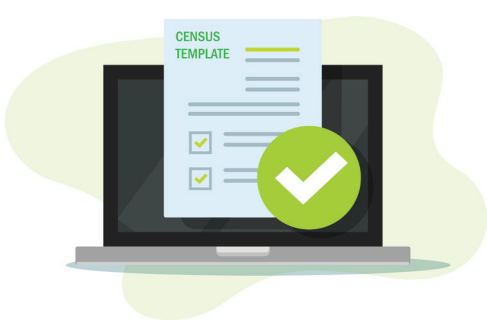

NEW!

Accident³

- Benefits between \$50 and \$50,000 are available when you have an accident at work or elsewhere

To learn more, contact your CAP Account Manager, or reach out to Membership Services at MS@CAPphysicians.com or 800-610-6642.

Interested in CAP's Benefit Options for Your Staff?

1

Provide your group census information via the **Census Template**.

2

Send your current plan benefit descriptions and pricing to receive a **Side by Side Comparison**.

3

We will walk you through the plan options, opportunities for savings, plan set up, open enrollment process, etc . . .

4

Employees will individually select benefits by registering for an account at compass.emyreanbenefits.com/cap/.

5

Once participants have made their selections, an **invoice will be sent** for payment.

If you are interested in learning more about these plans, please reach out to your CAP Account Manager. You may also contact Membership Services at MS@CAPphysicians.com or 800-610-6642.
